### Utah's Online Library is a great free resource

There are posters calling it to your attention in the hallway by the library. You can also ask Mrs. Walker for a bookmark to help you remember the useful databases provided by the online library. Better yet, you can ask Mrs. Walker to show you more of what the Utah Online Library offers. If students and parents try it at home, they need the login and password.

**Go to [OnlineLibrary.uen.org](http://OnlineLibrary.uen.org).** Type in **the user name and password** that is on the bookmark. Explore the Online Library and use it to help you get better grades. You'll be glad you did.

### Message from the Principal

#### Describe a book you enjoyed today

This gives you an idea of what your youngster prefers to read. Then, build a daily reading habit by asking what they like to read tonight. Encourage your child's reading and listening skills by reading aloud and letting her/him read to you.
